That the findings and recitations set out in the preamble to this ORDER are found to be true and correct and they are hereby adopted by the County Judge and made a part hereof for all purposes.

Summary. The virus that causes 2019 Coronavirus Disease (COVID-19) is easily transmitted through person-to-person contact, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private healthcare providers to handle the influx of new patients and safeguard public health and safety. Because of the risk of the rapid spread of the virus and the need to protect the most vulnerable members of the community, this Order encourages all individuals anywhere in Harris County, to stay at home – except to provide or obtain essential services or reopened services. This Order takes effect upon signing and will continue through 11:59 p.m. on May 20, 2020, subject to the limited exceptions and under the terms and conditions more particularly set forth below.

This order is issued to further the goals and policies of the State of Texas as set out in Executive Order GA-21 and is to be construed consistent with and in harmony with the terms of such executive order.

1. Effective upon signing, and continuing until 11:59 p.m. on May 20, 2020:

   a. Every person in the County shall, except when necessary to provide or obtain essential services or reopened services as those terms are defined by Executive Order GA-21, minimize social gatherings and minimize in-person contact with people who are not in the same household. People over the age of 65 are strongly encouraged to: stay at home as much as possible; maintain appropriate distance from any member of the household who has been out of the residence in the previous 14 days; and, if leaving the home, implement social distancing and to practice good hygiene, environmental cleanliness, and sanitation.

   b. Individuals experiencing homelessness are exempt from this Order except that, to the extent individuals are using shared or outdoor spaces, they should, to the greatest extent feasible, maintain social distancing of at least six feet from any
other person. Individuals experiencing homelessness are strongly urged to obtain shelter. Governmental and other entities that can provide shelter to homeless individuals are strongly urged to make shelter available, as soon as possible and to the maximum extent practicable (and are encouraged to utilize social distancing requirements in their operations).

c. All businesses except essential services or reopened services as defined in Executive Order GA-21 operating within Harris County should cease all activities at facilities located within the County. All businesses may continue operations consisting exclusively of employees or contractors performing activities at their own residences (i.e., working from home). Essential services may continue operating at full occupancy, but are encouraged to operate at less-than-total occupancy and to permit as many employees as feasible to work from home in order to impede virus transmission.

d. All public or private gatherings of any number of people occurring outside a single household or living unit are strongly discouraged. Nothing in this Order prohibits the gathering of members of a household or living unit. Nothing in this Order affects orders or agreements regarding child-related visitation or custody arrangements.

e. Individuals may go to public parks, beaches, rivers, lakes and open outdoor recreation areas, so long as the necessary precautions are maintained to reduce the transmission of COVID-19 and to minimize in-person contact with people who are not in the same household. Individuals may engage in outdoor sports provided that the sports do not include contact with other participants and involve no more than four participants playing the sport at the same time. Park benches, communal playgrounds, and playground equipment may increase the spread of COVID-19 and, therefore, shall remain closed.

f. Spas, massage establishments, tattoo studios, piercing studios, sexually oriented businesses, interactive amusement venues (such as bowling alleys, video arcades, amusement parks, water parks, or splash pads), concert halls, live performance theaters, arenas, stadiums, game rooms, bowling alleys, arcades, and bingo halls shall remain closed pursuant to Executive Order GA-21.

g. Bars may not reopen for on-premises service. The use of drive-through, pickup, or delivery options for food and drinks remains permitted, and highly encouraged, throughout the limited duration of this order.

h. Starting at 12:01 a.m. on Friday, May 8, 2020:

1. Cosmetology salons, hair salons, barber shops, nail salons/shops, and other establishments where licensed cosmetologists or barbers practice their trade may reopen; provided, however, that all such salons, shops, and establishments must ensure at least six feet of social distancing between operating work stations.

2. Tanning salons may reopen; provided, however, that all such salons must ensure at least six feet of social distancing between operating work stations.
3. Swimming pools other than public swimming pools operated by Harris County or in the unincorporated areas of Harris County may reopen; provided, however, that (i) indoor swimming pools may operate at up to 25 percent of the total listed occupancy of the pool facility; (ii) outdoor swimming pools may operate at up to 25 percent of normal operating limits as determined by the pool operator; and (iii) local public swimming pools may so operate only if permitted by the local municipality in which the public swimming pool lies. All public swimming pools operated by Harris County or in the unincorporated areas of Harris County shall remain closed.

4. The total listed occupancy limits described above refer to the maximum occupant load set by local or state law, but for purposes of this Order, staff members are not included in determining operating levels.

i. Starting at 12:01 a.m. on Monday, May 18, 2020:

4. The total listed occupancy limits described above refer to the maximum occupant load set by local or state law, but for purposes of this Order, staff members are not included in determining operating levels except for non-essential manufacturing service providers and services provided by office workers.

j. This Order does not prohibit people from accessing essential or reopened services or from engaging in essential daily activities, such as going to the grocery store or gas station; providing or obtaining other essential or reopened services so long as the necessary precautions are maintained to reduce the transmission of COVID-19 and to minimize in-person contact with people who are not in the same household.

k. Schools should seek guidance from Governor Abbott’s Executive Order GA-21 and the Texas Education Agency regarding visits to campuses for non-instructional administrative tasks and regarding graduation ceremonies.

3. In providing or obtaining essential services or reopened services, people and businesses should follow the minimum standard health protocols recommended by DSHS, found at www.cshs.texas.gov/coronavirus, and should implement social distancing, work from home if possible, and practice good hygiene, environmental cleanliness, and sanitation.
This also includes the following, to the extent not inconsistent with the DSHS minimum standards, the Guidelines from the President and the CDC, as well as other CDC recommendations. Individuals are encouraged to wear appropriate face coverings consistent with the Amended Face Covering Order.

4. Religious services should be conducted in accordance with the joint guidance issued and updated by the Texas attorney General and Governor.

5. If someone in a household has tested positive for COVID-19, all residents of the household are ordered to isolate at home until cleared by a public health authority or medical provider.

6. In accordance with the Guidelines from the President and the CDC, people shall not visit nursing homes, state supported living centers, assisted living facilities, or long-term care facilities unless to provide critical assistance as determined through guidance from the Texas Health and Human Services Commission (HHSC). Nursing homes, state supported living centers, assisted living facilities, and long-term care facilities should follow infection control policies and practices set forth by the HHSC, including minimizing the movement of staff between facilities whenever possible.

7. This Order shall be effective until 11:59 p.m. on May 20, 2020 or until it is either rescinded, superseded, or amended pursuant to applicable law.

9. Harris County will post this Order on the Internet. In addition, the owner, manager, or operator of any facility that is likely to be impacted by this Order is strongly encouraged to post a copy of this Order onsite and to provide a copy to any member of the public asking for a copy. If any subsection, sentence, clause, phrase, or word of this Order or any application of it to any person, structure, gathering, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision will not affect the validity of the remaining portions or applications of this Order.
